RE: MUR 5410: Request for Extension of Time
James Oberweis and Oberweis for Senate

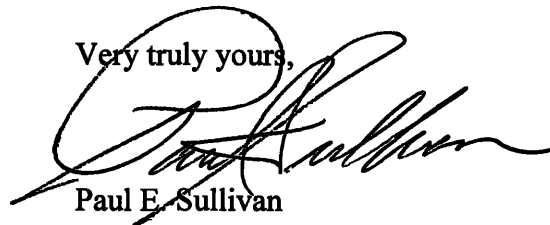

Dear Ms. Dillenseger:

In accordance with our telephone discussion of January 3, 2005 please accept this as a request for an extension of time on behalf of the above referenced respondents to file a response to the Commission's RTB finding in MUR 5410.

Though the Commission's letter and Factual and Legal Analysis was forwarded by me to the respondents on December 16, 2004, due to holiday travels and respondent's schedule I was not able to speak with them about the matter until December 30, 2004. Respondent desires to file a response to the RTB findings that will consist of additional facts deemed to be important to the matter. We therefore request an extension of time to January 13, 2005 by which to file a response brief with the General Counsel's office.

Thank you for your time and attention to this matter.

Very truly yours,

Paul E. Sullivan
